

Ministry Spotlight - Worship

"Not to us Lord...but to Your name be the glory." Psalm 115.1

Worship - it seems like such a simple word. But it defines our purpose and the reason why we exist on this earth. We were created to worship. We all worship *something* - God's desire is that we would worship *Him*. Our worship cluster is devoted to just that - creating experiences each week that draw us deeper into the heart and character of God. It's not about being flashy or being the "next big thing" - it has everything to do with our focus on God as the reason for our worship, and the One who deserves it. Whether through singing, drama or major productions, may God be the only One who is exalted, not us.

Take a moment to read this portion of our bulletin and take note of what is going on in the life of our church! If you would like to be involved, please see the contact information below!

Did you know?

1. ...that the majority of our worship songs are either in the keys of G or Bb?
2. ...that if you sing loud enough, at just the right resonance frequency, you can shatter glass? Just like in the movies!
3. ...that Bill Kratt worked very closely with Thomas Edison to invent the pitch pipe in the early 1900s?
4. ...that it takes 48 communion trays to provide communion for both services each Sunday?
5. ...that each week a volunteer gives of their time to prepare for the Lord's Supper AND clean up Sunday afternoon?
6. ...that 20-25 men volunteer each week to serve us the bread and cup during the Lord's Supper?
7. ...that over 80 people (including children!) put in their time and talent for this past year's Christmas Eve Service?
8. ...that each week the praise team spends about 2 hours in rehearsal for Sunday's music? *Not counting* the hours that they practice *outside* our building!
9. ...that our worship planning team spends hours planning our worship gatherings *months* in advance?
